

>> THE CONSUMER ELECTRONICS SHOW
IN LAS VEGAS IS THE WORLD'S
LARGEST TRADE SHOW FOR CONSUMER
TECHNOLOGY.

AT THE SHOW, THIS IS THE NEXTGEN
HOME EXPERIENCE.

HERE AT CES, THE NEXTGEN HOUSE
IS ALL ABOUT EMBRACING THE
DIGITAL LIFESTYLE.

NOW, PART OF EMBRACING THE
DIGITAL LIFESTYLE IS BEING ABLE
TO CONTROL YOUR HOUSE FROM ANY
ROOM IN YOUR HOUSE.

AND TO HELP EXPLAIN THAT, I HAVE
MIKE SEAMONS HERE WITH
EXCEPTIONAL INNOVATION.

I SEE THESE TOUCH SCREENS ALL
THROUGH THE HOUSE.

WHAT DO THEY DO?

>> IT'S ALL ABOUT DIGITAL
ENTERTAINMENT AND CONTROL AT
YOUR FINGERTIPS.

IT'S ALL ABOUT SIMPLICITY.

ONE OF THE MAIN FEATURES IS THE
ABILITY TO CONTROL YOUR
ENVIRONMENT, SUCH AS LIGHTS, SO
I CAN GO INTO ANY INDIVIDUAL
LIGHT, OR I CAN HAVE THEM ALL
OPERATE TOGETHER.

I CAN EVEN ACCESS SECURITY
CAMERAS THAT WOULD BE IN ALL THE
ROOMS OF THE HOUSE.

>> SO, IF I GO TO THE LIVING
ROOM OVER HERE, YOU CAN SEE ME
WAVING ON THE CAMERA?

>> YOU CAN EVEN ZOOM IN AND ZOOM
OUT OF YOU.

>> WHAT ELSE CAN IT DO?

>> ONE OF MY FAVORITE FEATURES
IS YOU CAN TURN ANY OF THESE
TOUCH SCREENS INTO A FOUR-PART
TELEVISION SCREEN, SO I CAN
WATCH FOUR TELEVISION STATIONS
AT THE SAME TIME.

>> AND, OF COURSE, YOU CAN BLOW
UP AND JUST LOOK AT ONE.

SO YOU HAVE TELEVISION
EVERYWHERE.

THAT'S AMAZING.

MIKE, THANKS SO MUCH.

>> THANKS.

>> NOW, HERE IN THE BATHROOM,
IT'S ALL ABOUT CONVENIENCE AND
COMFORT.

AND BELIEVE IT OR NOT, DIGITAL
HAS ACTUALLY ENTERED THE
BATHROOM AND TO HELP EXPLAIN
THAT, I'VE GOT BOB RODENBECK
WITH THE DELTA FAUCET COMPANY.

AND, BOB, WHAT IS THIS?

>> THIS IS A REMOTE SHOWER
CONTROL THAT ALLOWS YOU TO TURN
ON THE SHOWER FROM ANYWHERE

OUTSIDE.
SO BASICALLY YOU COME IN, TURN
IT ON, WATER STARTS TO FLOW.
AS THE WATER IS COMING UP, THE
TEMPERATURE EVENTUALLY WILL GET
TO YOUR DESIRED TEMPERATURE AND
GIVE YOU A READY LIGHT.
IT MEANS YOU'RE READY TO STEP
INTO YOUR NICE WARM SHOWER.
>> THAT'S AMAZING.
SO DIGITAL HAS NOW INVADED THE
MORNING SHOWER.
NOW, BY DIGITAL LIFESTYLE, I
MEAN APPLIANCES LIKE THIS ONE.
THIS IS THE TMIO REFRIGERATED
OVEN.
THE WAY THIS WORKS -- YOU PUT
YOUR FOOD IN HERE IN THE
MORNING AND YOU SET THE
REFRIGERATOR SO IT STAYS FRESH
ALL DAY.
AND THEN LATER ON IN THE DAY,
YOU CAN ACTUALLY START THE
COOKING PROCESS.
LIKE, I'M ROASTING RIGHT HERE
AND SETTING THE TEMPERATURE.
NOW, YOU CAN DO THIS WITH A
TIMER, OR YOU CAN ACTUALLY CALL
UP THE OVEN WITH YOUR CELLPHONE
AND START THE COOKING PROCESS
THAT WAY.
NOW, IF YOU THINK THIS IS COOL,
CHECK THIS OUT.
NOW, THIS IS THE PASCAL BY
BRIZO FAUCET.
IT CAN WORK JUST LIKE A REGULAR
FAUCET.
I'M CONTROLLING IT WITH THIS
CONTROL RIGHT OVER HERE.
I CAN SET THE TEMPERATURE.
IT ALSO CAN BE CONTROLLED BY
TOUCH.
IT EVEN HAS A SENSOR UNDERNEATH
IT.
IT CAN TELL MY HANDS ARE
UNDERNEATH THE FAUCET, OR A
PLATE IS UNDERNEATH THE FAUCET.
BY BEING SO INTUITIVE, IT
ACTUALLY SAVES WATER, AND THAT,
OF COURSE, SAVES YOU MONEY IN
THE LONG RUN.
NOW, YOU CAN'T HAVE A DIGITAL
HOUSE WITHOUT HAVING A
BIG-SCREEN TV AND BIG SPEAKERS.
NOW, THIS IS WHAT I CALL
EMBRACING THE DIGITAL LIFESTYLE.
